Steve Raddigan suggested to Council to open a 6-month CD for \$100,000. There are no penalties with this as well. The CD expiring in February we can put into a Money Market account. The other options were a standard savings account and money market account. The Mayor said he prefers the 6 months because that is not a long time and the return on our money was better. Steve said as we accumulate funds, we can open another account and just stagger them say every three months. Our yield on \$100,000 would be \$2700 and change. Mayor asked the Council for their opinion. They agreed that this would be a good idea. Mayor asked for a Motion.

Member SM made a Motion to open a CD and create a Money Market account. Member CS second the Motion. All: Yes, Motion Passed.

- (*) **Clerk Report – In file.** Mike Uhl did ask if Council would be ok with him fixing up the benches in Community Hall as they are unstable. Council said yes. Mayor said to place on the Agenda next month, to discuss Community Hall and see what we can do to improve things there.
