Mayor and Council will be meeting at the Calvary Chapel and walking Middlefork Rd. from Calvary Chapel towards Wild Bill's to review the area for the proposed Walkway in Crouch. There will be a general discussion with no decisions made.

All the Council Members, the Mayor and City Clerk met at the Calvary Chapel and walked Middlefork Rd. from the Church to the driveway by Wild Bill's. They looked at the options that they may have such as which side of Middlefork would be the best side for a walkway. What obstacles they may have: easements, legal issues, needed surveys, possible grants and the County's permission for it. They talked about different materials that might be used for the surface of the walkway. Ty Archer came to speak with them. He said he would be interested in being on the committee. No decisions were made and this will be on the Agenda for April.
